SUMMARY

As a dedicated Computer Science student with an Associate Diploma in IT, I am passionate about leveraging technology to solve complex problems. With a strong foundation in programming languages and hands-on experience in both web and mobile app development, I am eager to apply my skills in a dynamic and challenging work environment. I am driven to contribute to innovative projects that push the boundaries of technology, continuously seeking opportunities to enhance my expertise and make meaningful contributions to the field.

EXPERIENCE

- **1+ year of experience** in flutter (Mobile App Development)
- **6 months of experience** in Web Development
- **1 month of exposure** to entrepreneurial skills, focusing on business development and strategy.
